Memo:-

Miss Govindaraju has returned from England where she had been undergoing training for her profession. She has obtained the triple qualifn of Edinburgh & Glasgow, midwifery & other qualifns of Brussels & Dublin.

Promotion among asst Surgeons goes by length of service and I wd regard the time she spent in obtaining these qualifns as qualifyg for promotion - This is the least we can do for her.

She has been 3 yrs in ~~higher Grade~~. If 2 others will give her promotion to the next grade, I will give her such promotion from the date of her rejoining & ~~next~~ deduct the other year & so from the period required to qualify for the next higher promotion.

The Secy. will add dates & rates of pay and show how this will work out, and then send to Mr Abdul Rahim and by.

I concur in the views of the Surgeon in the Case Dr Franklin said we were not paying her Enough and I myself think we might be more liberal but I dont see my way clearly to doing this.

Memo

The cost of H. H. the Maharaneeh Hospital at Mysore including the pay of the assistant Surgeon is met from the municipal funds of the Mysore City and the D. F in the proportions of 2/3 and 1/3 respectively, the latter being distributed between the Mysore and Trench Rocks Circles in the ratios of $\frac{8}{39}$ & $\frac{5}{39}$.

(2) In Govt notification no $\frac{75 \cdot 49}{M.F\ 153 \cdot 92}$ dated 7th January 1896, the pay of the assistant Surgeon having been raised by Rs 50 with effect from 16th November 1895 ~~October 1894~~, the Comptroller requested the Dy Comr of Mysore to point out the source in the D. F. Budget of the Mysore Circle from which the increased cost could be met and forward ~~that~~ copy of the reference to this office

with his Memo cto 1167 dated 11th January 1896. On submitting this for orders, a suggestion was made by the office that the pay of the Assistant Surgeon might be debited to the Medical Budget as in the case of the Assistant Surgeon in charge of the Bangalore Maternity. The 1st Councillor concurring in this suggestion directed that this communication might be submitted to the Dewan for approval. ~~No~~ ~~orders have as yet been passed on this reference.~~

(3) In his cto 866 dated 27th January 1896, the Dy Com proposed certain transfers in the sanctioned D. F. Budgets of the Mysore and French Rocks Circles to meet the grants of the increase of pay to the Assistant Surgeons salary payable from the D. F. On receipt

this communication, the previous references submitted to the Dewan was called for on 3/2/96, but the former alone has been received back from D. H. O without references on 6/1/97.

(4) From the papers now obtained from the General Branch, it would appear that the pay of Miss Gomida Raynha was raised by Rs 50 with effect from 16 November 1895 and that a house allowance of Rs 40 a month was also sanctioned to her till a suitable house should be found for her (Vide Pro No $\frac{7625\cdot6}{153\cdot92}$ dated 8 January 1896) It is submitted that there is nothing in the files to shew whether she shifted from the Hospital Premises to a rented building, when alone the house rent allowance can be paid under this

No $\frac{750}{153\cdot92}$ 97·1·96 (serial No 13)

In Pro No $\frac{6355\cdot6}{153\cdot92}$ DJ 2/12/96, the order sanctioning house rent allowance has since been withdrawn (serial No 14)

the orders of the 3rd Councillor and the Dewan noted on the office draft.

Submitted for orders as to whether the whether the house rent allowance (Rs 14/1/97 in the notice) as well as the increase of salary as suggested should be defrayed from Provincial Medical Budget or from Local Funds as in the case of her ~~pay etc~~ present salary.

The Suggestion (thankful for correction) of the whether Lawrence Miss Lobinda Rajalie's pay ~~Increment~~ should be debited to the Local Funds or; as remarked by the 1st Councillor to the Medical Budget was submitted to the Dewan ~~&c~~ in January last with ~~orders~~ all the references bearing on the subject but these have been returned without any orders. Serial no 4 in L.F 286 of 92
Part I

In Pro no 451-4 / mis 79 dated 22nd April 1880. the entertainment of the establishment including the pay of the Superintendent was sanctioned for the female Hospital (now called H.H the Maharanee Hospital) at Mysore and two third cost thereof (Rs 3552) was ordered to be debited to the municipal funds of Mysore and one third to the D.F. of the Mysore District

Govt Pro no 4501-4 / 626 dated 6.11.80 (Serial no 88)

(2) The Govt declined to sanction the proposal to apportion the cost ^ equally to the municipal and D.F. instead of ^ and adhered to the proportion fixed in Pro of 22/4/80 (Sl no 4)

(3) In Pro no 8088-90 / L.F 286-90 dated 10th December 1896 (Sl no 2 in part II of the file). the greater of the charges of the Hospital payable

from the D. F. was ordered to be debited to the Mysore and French Rocks Circles in the proportions $\frac{8}{13}$ and $\frac{5}{13}$ respectively.

(4) Thus the cost of H. H the Maharanis Hospital is now being borne from Municipal and D. F. in the following proportions

(1) Mysore Municipality .. $\frac{2}{3}$.
(2) Mysore L. F. Circle $\frac{8}{39}$
(3) French Rocks — " — $\frac{5}{39}$.

(5) Subsequently an assistant Surgeon was appointed for the above Hospital and his pay ~~of Rs 100~~ and other charges (which were not theretofore ~~debited~~ properly distributed among the three budgets as specified in the foregoing para) were ordered to

to be provided for in the budgets in the presumed proportions (Vide Proc ^{4922-S.} 286-92 dated 17th September 1894 Serial etc 17 in Part II of the file).

(6) The annual cost which was only Rs 3552 in 1880 when the Hospital was started has risen to Rs 6,089 as provided in the current years Budgets

(1) Mysore City — Rs 4416
(2) D.F. Mysore Circle — 900

(7) In the case of the Bangalore Maternity, for which also an assistant Surgeon was appointed, the pay of the medical subordinate (now Miss Ayyachammal) is borne from the Medical Budget and not from Municipal and D.F. as in the case of the assistant Surgeon in H.H. the Maharani Hospital. Madam Dr. McLaren

The lady is coming very soon and we have to find house accommodation for her. The house which was occupied by Miss Govindarajulu seems quite suited for the purpose as it is situated near

the Girls School and in a locality inhabited by Hindus. As the present incumbent of Miss Govindarajulu's place lives in the premises of the Female Hospital, the arrangement now proposed will not, I believe, cause any inconvenience.

I shall be very glad therefore if you will, provided you see no objection, kindly give early instructions for the house being placed at the disposal of Rai Bahadur A. Narasimmiengar for the

use of the lady in question. By the time Miss Govindarajulu returns, we can make some arrangement for her accommodation near the Female Hospital.

Kindly give me an early reply.

Yours sincerely

My dear Sir Sheshadri

I have writ to the Civil Surgeon today & request him to place his Soondrapalem house at Mr. Narasimmiengar's disposal as soon he has left & say to the matter. In no respect it would be a good residence to hand it over as it is too far from the hospital, I I hope by so doing we shall get a residence & his Soondrapalem, or whomsoever it may be, more conveniently located, I I would suggest that the D.P.W. be directed to take the matter in hands at an early date.

SIR,

With reference to your docket No 583 dated the 19th August 1895, calling for information as to how compensation was settled for the site selected at Mysore for the construction of quarters for the Lady Assistant Surgeon in charge of Her Highness the Maharani's Female Hospital, I beg to state as follows:-

2. The site belongs to Mr. Dalvayi Dewaraj Ars. It measures 628 feet from East to West, and 335 feet from North to South. Mr. Dewaraj Ars bought it for Rs600 on the 8th June 1887. A sum of Rs 1191 was allowed for the Compound wall put up for it. For fencing and levelling the ground 250 Rs were allowed. And for the 35 mango trees planted by him

in it a sum of Rs 350 was allowed. Thus the whole property was valued at Rs 2391. To this was added a sum of 609 Rs on account of interest on the money laid out, on account of the rise in the value of landed property and on account of the compulsory nature of the requisition. Thus Rs 3,000 were fixed as compensation for the land. This was done by the Municipal Vice President Mr. Ranjuda-raj Ars under the orders of the late Deputy Commissioner, Mr. Rangaswami Iyengar.

Read:— Correspondence ending with letter No 417 of the 2nd August 1895 from the Senior Surgeon, stating that the amount of compensation settled for the acquisition of a site on the Elwal-Viceroy road, Mysore, for the construction of quarters for the Assistant Surgeon in charge of H.H. the Maharanee Female Hospital, is probably fair, and that the same has been fixed by the Dy Commr, Mysore, with the owners & Co

Order

In his letter No 174 of the 29th July 1895 to the Senior Surgeon, the Dy: Commr, Mysore, states that as the compensation has already been settled at

at Rs: 3000/-, it may not be popible for them to reduce it, but gives no particulars as to how the settlement has been effected and by ~~to~~ whom, ~~not~~ nor is this info available from the previous Correspond-ence. On the other hand, it appears from the papers recent ~~latter~~ that the owner demanded Rs: 3000/- for the site in question, and the Civil Surgeon, Mysore, sought for the sanction ~~of~~ from for that area. The Senior Surgeon has also omitted to answer the query already put on these points.

Sir

In submitting the enclosed for favour of orders, I beg to suggest that quarters of the Lady Asst Surgeon may be built in the N E Corner of the Compound of the Public offices at Mysore.

The site belonging to Mr Dalavai Davaraj Urs which was selected by Dr Benson and situated exactly opposit to the one which I have proposed, could not be acquired as the value of it viz Rs 3000 was prohibiting.

The site proposed by me is

is very conveniently situated and a building erected on the site will not be unsightly and will not spoil the appearance of the Public Offices as it will be quite symetrical with the building in the S E Corner viz the house of Mr Weir the Principal of the Maharajas College.
